

Interactive Distance Learning (IDL) is a medium that uses video conferencing technology for delivery of live classroom activities to students at remote sites. The Greenbush IDL Elementary and Middle School Academic programs are engaging, hands-on learning opportunities that are standards-based and encompass a variety of subject areas.

To register for academic programs please ask your *facilitator* to contact Maria Clevenger at [studentscheduling@greenbush.org](mailto:studentscheduling@greenbush.org) or **620-724-6281**.

*The following information is needed to register for programs: school name, teacher name, teacher email address, grade level, number of students, program topic(s), 1st choice date/time, 2nd choice date/time.*
